

The Port Hope and District Chamber of Commerce presents awards annually that recognize individual people and businesses that have demonstrated excellence throughout 2024.

What's a nomination?

A nomination means a Port Hope based business deserving of recognition for its efforts in providing excellence. Individuals may nominate a Business for no more than 2 categories per nomination submission. A business only needs to be nominated once per category to be considered. Awards are not based on number of nominations received. Nominated businesses are required to provide criteria-based evidence that demonstrates how excellent they are which is then reviewed by a selection committee.

Following the conclusion of the selection process the awards will be presented at the 27th Annual Business Excellence Awards being hosted at the Port Hope Lions Centre on Friday November 7, 2025.
