All Canadian employers must consider the impact of cannabis legalization on work-related activities and travel. The CannEd e-learning course educates employers and employees on cannabis facts, laws, and responsibilities. With 17% of Canadians consuming cannabis according to Statistics Canada, it is important to educate staff to ensure safety at work, and decrease liabilities. The CannEd course allows employers to validate the information was reviewed and tested, as well as provide a company-specific cannabis policy at work.
